MEET AND TREAT!

Community Service Performance:

A project in partnership with the Council on Aging and Workshop Arts Inc. to visit seniors in our community and bring us all closer together with performance and creativity. Our students present a care package to local seniors who benefit from a playful and warmhearted presentation as we perform an outdoor dance and show. Seniors receive a gift bag with seasonal items and student made cards and crafts. To view our A-OK! program from the Spring 2021, please visit our website to see videos, pictures and testimonials. www.workshopartsinc.org
